kingdom of Saudi Arabia**

"Zaid Alsowidah Trading Company " is a Saudi-Korean company that provides brokerage and consulting services for Korean and Saudi companies looking to expand into the Saudi and Korean markets. The company offers a comprehensive range of services to assist companies in achieving sustainable success in their operations:

1. **Market Analysis:** Providing detailed reports and studies about the market in both countries, analyzing opportunities and challenges that companies may face.
2. **Legal and Regulatory Support:** Assisting companies in understanding and complying with local and international regulations and laws that impact their operations.
3. **Registration and Licensing Procedures:** Helping companies complete the necessary legal and regulatory procedures for establishing their businesses and obtaining the required licenses.
4. **Guidance on Business Culture:** Offering advice on how to interact with local business partners and understand the business customs and traditions in both countries.
5. **Expanding Network of Relationships:** Facilitating communication and interaction with governmental authorities and local companies to foster cooperation and achieve common goals.

Through a diverse range of these services, "Zaid Brokerage and Consultancy" works to empower companies to achieve sustainable success in their operations in the Saudi and Korean markets.
